ERREÀ FIRST EVER CERTIFIED COMPANY IN THE TEAMWEAR INDUSTRY

our  
fabrics  
do not  
contain  
harmful  
substances\*

The Oeko-Tex Standard 100 testing and certification system is granted by the most important International Association of textile research and test institutes and represents both an added value of Erreà and a guarantee for consumers. \*The Oeko-Tex Standard 100 represents the leading label in the textiles and clothing industry. The Oeko-Tex certification guarantees that the fabrics of Erreà with this label have successfully passed all Oeko-Tex Standard 100 test: Research on azoic colours • Research on carcinogenic and allergenic dyes • Release of formaldehyde • Research on chlorinated phenols • Research on benzenes and toluene chlorinates • Release of heavy metals • Verification of colour solidity • Determination of the extracted water pH • Research on the composed organostannicis (TBT e DBT)

**Safety is our main concern.**
